

Lab Make-Ups – Fall 2021

Covid-19 has placed some restraints on the way we arrange make-up labs. Here are the guidelines for fall 2021:

(1) Makeup lab days will be available on the following days:

Oct 5, 6, 7, 8

Nov 10, 12, 15, 16

Dec 6, 7, 8, 9, 10

(2) If you want to make up a lab on one of the makeup lab days listed above that falls on your regular lab session day, you will be able to make it up without prior permission, but you need to inform your TA the week beforehand which lab you want to make-up.

- Please note that the Writing Lab Report workshop is generally not available as a lab make-up, since it involves using a draft lab report to have peer-peer discussions and interactions. This is really not possible to replicate without other students.

(3) If you want to make-up a lab on a makeup lab day listed above, but this falls on a different day and/or time than your regular lab session, you can likely do this by simply contacting Sarah Bernard at sarah.e.bernard@maine.edu. You will need to gain permission, but we anticipate that because there will be less students doing labs on these makeup lab days, your request will likely be granted.

(4) If you want to make-up a lab but it does not fall on a makeup lab day listed above, you can explore this possibility by contacting Sarah Bernard at sarah.e.bernard@maine.edu. However, this is in no way guaranteed and will need to be arranged on a case-by-case basis.
